

Anime Club Constitution

We, the members of the Anime Club, desiring to develop tradition which will bring honor to us and our school, observe the following principles:

- A. To encourage leadership, use of initiative, and good judgment by all club members.
- B. To recognize the purpose of our club is to promote the physical, mental, social and emotional well-being of individual club members.
- C. To ensure a workable and equitable relationship with all other school organizations, clubs, faculty and administration.
- D. Our purpose is to promote and educate the American public about Japanese animation (Anime) and comics (Manga), as well as provide a meeting place, presentations, information, and events for all of the club's members.
- E. To be committed to providing a suitable environment for its members to meet for the purpose of general social gathering and viewing of anime. The club will help maintain an appreciation and understanding of anime by showing anime that best represents the wide variety of anime that is available with the exception of hentai (perverse) anime since that type of anime spreads all the wrong impressions of the art form as a whole.
