

MY APP LOGO

Name: \_\_\_\_\_

Suppose for a moment that you've been asked to encourage others to be as brilliant as you by offering a web app that trains the user to become just like you...

***"You think I'm awesome? You want to be like me? Ah, there's an app for that!"***

*Below, take time to create clean, detailed app logos that highlight your best features. Utilize images and typography to make logos for different facets of your personality.*

An empty rounded square box with a thin black border, intended for creating an app logo.

*My name or initials*

An empty rounded square box with a thin black border, intended for creating an app logo.
