## **Puppeteer Review**

Title: \_\_\_\_\_ Year: \_\_\_\_\_

Puppeteer: \_\_\_\_\_ Puppet Character: \_\_\_\_\_

### **Materials:**

Puppets can be made from many different materials. Identify all the materials used for this puppet.

### **Operation:**

Puppets are operated in numerous ways. Describe how the puppeteer(s) operate this puppet.

### **Expression:**

Puppet faces express emotions either statically or through movement. What emotions can this puppet face express? Where do you see that emotion? How does the puppeteer manipulate the expression?

### **Staging:**

A puppet show is complex and requires careful planning. How many puppeteers are acting in the show? Are the puppeteers visible or hidden? What "special effects" can you recognize?

### **Visual language:**

Body language conveys important information about a character and about a story. Describe the subtleties of face and that are most effective for this character.
